

North Stonington Education Foundation

Micro-Grant Application

The mission of the North Stonington Education Foundation is to support and enhance the quality of education in North Stonington, by facilitating cooperative education ventures among the North Stonington Education Foundation, community groups, organizations, individuals, and the North Stonington Public Schools.

As a rapid response tool to facilitate these ends, the Foundation is pleased to offer micro-grants of up to \$500 to educators and others. We also offer grants for larger amounts using the standard grant application - see ***nsefoundation.org***

Project Eligibility:

The NSEF funds educational projects that are creative, innovative, relevant, effective, and inspiring.

1. The project must promote advancement of skills or knowledge and add depth to the educational experience.
2. Projects may be directed towards students of any grade level.
3. At the conclusion of the project, recipients are requested to provide NSEF with a written summary of achievements through the grant.

Application and Review Process:

Grants will be reviewed and voted on by the board of the NSEF when they are received. Projects may be partially or completely funded.

Approval will be based on merit. Applications are available online at ***nsefoundation.org***. If you have questions, you may email NSEF at nsefoundation@gmail.com or cphensley@gmail.com.

Please submit grants to *both* NSEF at nsefoundation@gmail.com and cphensley@gmail.com
